

**How does St Margaret's-at-Cliffe Primary School get the equipment and make sure that the facilities are correct for a pupil with SEN?**

All schools are provided with a budget for SEN and this allows us to ensure that the resources and facilities are correct for individual pupils. Some resources are accessed via the SENCO who along with the Class Teacher has identified an area where an additional resource might be supportive. In other instances Outside Agencies will provide us with the details of equipment that we need to access and the school will provide this. Often these can be quite specialist resources or occasionally a recommendation for a specific pupil that will actually support many. If a pupil requires a high level of support/equipment, in addition to the budget allocation, an application can be made for High Needs Funding to ensure that all the support required can be in place for that pupil.
