'For Learning That Lasts A Lifetime'

25th January 2016

Dear Parents/Carers of Year 4 children

Kent Bikeability Training

Kent County Council are offering Level 1 Bikeability training to Year 4 children in Kent this year. Bikeability is a National Standard-cycle training course designed to give our pupils the skills and confidence to ride their bikes. This is the second year that Kent County Council have offered this course and there is no charge.

The Level 1 training will take place during either the morning or afternoon and will take place on our school playground. Level 2 training usually takes place when the children are in Year 6.

We have provisionally booked Tuesday, 15th March (morning and afternoon) and Wednesday, 16th March (morning and afternoon) sessions. Children must be able to ride, balance and control their bike and will only be able to participate if they have a roadworthy bicycle (2 working brakes, serviceable inflated tyres and no safety defects) and wear a cycle helmet.

I am attaching an information leaflet together with a parental consent form. If you would like your child to participate in this free course please return the parental consent form to the school office **by Friday, 12th February.**

Yours sincerely

A handwritten signature in black ink, appearing to read 'Helen Comfort', written in a cursive style.
