'For Learning That Lasts A Lifetime'

25th January 2016

Dear Parent/Carers of Reception class

Dressing up day for Class R Friday 5th February 2016

As we come to the end of our work on People Who Help Us we would like to celebrate our learning by inviting the children to come to school dressed either as a person who helps us e.g. a doctor, a vet or a teacher or perhaps if your child has another profession in mind they could dress up in whatever they wish to be when they are grown up.

During this week we have been asking the children to explore what jobs and professions that they would like to undertake when they are older – please explore this again with your child at home as you plan your costume together. Please bring your child to school on Friday 5th February wearing their costume.

On the same day the whole school will be taking part in the NSPCC's Number Day. Number Day is a fantastic fun way for all our children to be engaged with maths and to raise money to make a difference to the lives of vulnerable children across the country. Classes 1 to 6 will be wearing clothing with numbers on, paying a pound to this charity.

Reception class will be undertaking some number related activities as part of Number Day and if you wish to make a donation to the NSPCC please take any money to the school office.

Thank you for your support.
