'For Learning That Lasts A Lifetime'

4th February 2016

Dear Parents/Carers

Safer Internet Day 2016 is being celebrated globally on Tuesday 9th February with the slogan 'Play your part for a better internet'.

Coordinated in the UK by the **UK Safer Internet Centre** the celebration sees hundreds of organisations getting involved to help promote the safe, responsible and positive use of digital technology for children and young people.

We will have an assembly on this day to discuss the e-safety issues surrounding the use of the internet and each class will be completing a lesson to further this understanding. As part of this work, we will also be conducting an e-safety questionnaire in school.

If you are interested in finding out more about how you can promote a safe use of the internet within the home environment then please visit the following sites:

www.thinkuknow.co.uk

www.saferinternet.org.uk

They have excellent resources available across all pupil ages, as well as a parent section.

Yours sincerely

Oliver
