'For Learning That Lasts A Lifetime'

26th April 2016

Dear Parent/Carers of Classes 1 and 2

You will recall that Emma Smith and Zoe Weller recently completed their final Christ Church University teaching practices in Classes 1 and 2 respectively. They have returned to school this week to complete a research project entitled 'Investigating Current Practice'. This work involves them working with children in Classes 1 and 2.

They will use a variety of approaches to gather information including: simple questionnaires, small group interviews, single interviews and observations.

All evidence recorded within their reports will be anonymised; neither the names of children nor the school will be shown.

If you have any questions regarding this work please speak to Mrs Wallis or Miss Graham in the first instance.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Helen Comfort', with a small flourish at the end.

Headteacher
