Message from the Headteacher

The Year 2 cake sale got the week off to a great start. Many thanks for the donations and support from parent/carers!

Class 6 arrived back on Tuesday safe and sound from their five day residential trip at the Kent run Hardelot Centre in France. The children had a super time and were fantastic ambassadors for the school. They were complimented on for their good French language skills and their conduct throughout. I would like to thank the children and the staff for making this such a successful trip. Look out for pictures on the school facebook page.

Class 3 had a marvellous day out at Connaught Park and Dover Castle on Thursday. They were lucky with the weather in that it was the sunniest day of this week. Again, behaviour was exemplary and the children enjoyed exploring the site.

Another additional sporting opportunity for a team of our children was provided for this week through attendance at an inter-school hockey tournament hosted at Castle Community College. The team played seven games in total, winning 3, losing 3 and drawing 1. Coming 6th out of 14 schools – was an extremely respectable placing for a first outing – well done to Patrick, Calum, Joshua W, Avy, Beth, Millie and Joshua H.

Just to clarify – we don't require children to bring pencil cases or any stationery equipment to school. All materials and equipment are provided by the school. Please keep pencil cases etc. at home for the children to use when completing their homework.

I wish you all a lovely half term break and look forward to seeing the children back at school on Tuesday 7th June.

Ms Helen Comfort
