*'For Learning That Lasts A Lifetime'*

10<sup>th</sup> June 2016

Dear Parent/Carers of Class 4

As part of their Science curriculum studies this term Class 4 will be working towards the 'John Muir Discover Award'. To complete the award and gain certification, students are required to explore, conserve and share an environmental area.

On 13<sup>th</sup> and 15<sup>th</sup> June the class will be working in the pond and wooded area at the school, so please can the children bring to school some jogging bottoms, a long sleeved sweatshirt and appropriate footwear i.e. trainers, to change into on these dates.

The John Muir award is nationally recognised and does the following:

- Promotes educational, social and personal development through engagement with wild places and involvement in conservation
- Encourages an environmental agenda within schools/youth groups and organisations
- Ensures that social circumstances don't exclude people from opportunities to experience wild places

For more information about the award visit <https://www.johnmuirtrust.org/john-muir-award>

Please return the reply slip below by Wednesday, 15<sup>th</sup> June 2016.

Yours sincerely

**Mr J Oliver**  
**Class Teacher**

Childs Name \_\_\_\_\_

I agree\*/do not agree\* that my child's name be sent to The John Muir Trust for certification purposes only.

I do\*/ do not consent\* to photographs being taken and understand that these may be used for John Muir promotional material and social media (without names).

I will ensure my child is appropriately dressed for outdoor, all weather activities.
