## Message from the Headteacher

Reception Class started Father's Day celebrations early this week with a 'Father's Day Stay and Play' session today. Dads, grandads and carers spent part of the morning in class working with the children on craft activities – a great time was had by all!

Class 6 have had another busy week with Bikeability cycling proficiency courses being completed by many of the children. On Friday they travelled to Betteshanger Country Park in Deal for our annual PTFA funded trip for our oldest pupils – they took part in fossil hunting, mountain biking and geocaching.

Class 4 have spent much of this week exploring the environment within our school grounds courtesy of some workshops delivered by Pete Evans. The children are working towards a 'John Muir Award' – to complete this they are required to explore, conserve and share an environmental area. We look forward to the culmination of this work and thank Pete for supporting the children and staff with this work.

Families have generously supported the PTFA summer fayre today with further donations to the tombola stalls – I thank you for these.

Sports Day will be on Tuesday morning next week – see separate letter for detail. Last year the parked cars on Sea Street, left by families attending our Sports Day, brought Sea Street to a standstill as there were no passing spaces left. We shall be putting out cones to mark passing spaces this year; please abide by these or park as far away from the school as possible to allow the rest of the village community to go about their business while we enjoy the children's sporting prowess.

Do remember the summer fayre on Friday – 3.15pm start. We look forward to receiving donations of cakes for the refreshment stall on the day and to seeing you all at the fayre – fingers crossed for good weather!
