'For Learning That Lasts A Lifetime'

1st July 2016

Dear Parent/Carers of Years 5 & 6

Monday, 11th July 2016

Each year as part of our Personal, Social and Health Education we teach a unit on puberty which includes sex education. For the introductory element of the unit, Years 5 & 6 combine. Year 6 will then continue the unit in more detail throughout the day.

The combined classes consider the onset of puberty: the physiological, emotional and the other 'changes' which take place. We shall be using the Channel 4 sex education programmes and learning resources to support this unit of work.

Should you have any queries regarding the content of the curriculum, please speak to myself, Mr Ball or Mrs Norley.

Please complete the slip below and return to the school by Wednesday, 6th July 2016.

Yours sincerely

R Hindle
