Class One Newsletter

Terms 1 & 2 2017

Dear Parents and Carers

We would like to take the opportunity to welcome you and your child to Class One. After a long and enjoyable summer holiday we hope your child is ready to embark upon a fun and exciting year of learning.

We are really looking forward to teaching and caring for your child this year and with your support, we can work together to enable them to achieve their very best.

If you have any queries or concerns about anything, please feel free to come and see us and we will be pleased to help you.

Best wishes

Mrs Collins & Mrs Geere

Golden Time

Golden time takes place on a Friday afternoon and is a reward for excellent behaviour in the class. Children may bring in their own toys/games. Please remember that toys can get damaged and even lost in a class environment so please - nothing too valuable or electronic.

Just a Few Things to Remember...

- P.E is on Wednesday and Friday.
- Please could all uniform be labelled to avoid lost items. It is difficult to match up items of uniform to children at the end of the day if they are not named.
- Please make sure your child has a named water bottle in school. These should only contain water and need to be taken home every day for washing and refilling.
- Parents Evenings Monday 13th November and Wednesday 15th November.

We will enjoy learning about...

Our English unit is based on stories in familiar settings and we will be using our senses to create our very own poem. We will also have daily phonics sessions where the children will continue learning their sounds and high frequency words. Our maths lessons will focus on counting, ordering, reading and writing numbers. In Science we will find out the names of different parts of our body and explore our senses. We will also learn about the four seasons throughout the year. Our Geography topic is all about the local area. In Art the children will create a self-portrait. Our RE topic this term is Christianity and our circle time sessions will focus on New Beginnings. During our weekly computing lessons we will learn how to log on to the computers and use the mouse and keyboard effectively. In PE the children will take part in Multi-skills sessions with Mr Castle, concentrating on gross and fine motor skills and co-ordination.

Tuck Shop

Tuck shop is on Friday mornings. Prices range from 25p to 50p. Please make sure money is in a named purse or envelope.

Reading Books

Your child will be given a book and a reading record to bring home and read every day. We aim to hear the children read at least once a week and have their books changed.
