PTFA Newsletter Term 1

Dear Parent/Carer,

We hope that you had a wonderful first term at school and we welcome any new families that have joined our community this year.

You may or may not be aware of the **Parents, Teachers & Friends Association** at the school. We run a series of fundraising events during the year including school discos, film nights and fayres. These raise money for extra items for the children and the school such as improvements to the facilities, resources for school clubs, the Class 6 Fowlmead trip, Easter Eggs for each child, and ice creams on the whole school Grand Day Out.

Whilst you, and anyone associated to a child at the school, are automatically a member of the PTFA, you may wish to have a more active role. We would love to see you at our meetings; even if you would just like to come for tea and a biscuit and to meet other parents you are most welcome. You never know, you might have an idea, a skill or a contact that is invaluable to us! Our next meeting is:

Thursday, 8th November
8:45am
In the school Reading Room

If you can't come along but want to contribute please leave a note addressed to the PTFA in the office or email StMaCPTFA@gmail.com.

We also always need as much help as possible for our events (this term's events are listed below). As well as raising money they are great fun and really valued by the children. All help is appreciated and does not mean that you will be pestered to help at every event. Quite simply, the more help we have, the more we can do. If you would like to be on our list of helpers then please ask for a form at the office.

We look forward to seeing you.

Regards

Emma Rosen
Chairperson, PTFA.
