Class 5 – Hugo & Aemilia
Class 6 – Jude & Ophelia

Message from the Headteacher

Math-a-thon Winners!

Year 4 pupils Sophia and Jenson attended a new-style Math-a-thon hosted by Dover Technical College on Tuesday. The competition was very challenging and they both did very well in tense circumstances. Working as a team they progressed from the semi-final to the final where they overcame the opposition to claim first place. Many congratulations to Sophia and Jenson who brought the impressive trophy back to school.

iRock

We welcomed Mike from iRock to school on Tuesday. He and his fellow band member presented a rock and pop music assembly to the children who thoroughly enjoyed themselves. The children will be coming home this evening with information about this exciting new venture. As soon as we know how many of you are interested in taking up the lessons we will liaise with Mike about when the lessons will take place to ensure they fit in with our timetables.

Thank You

Thank you for meeting with the teaching staff this week to discuss your child's progress. I know how much the children appreciate you speaking to their teacher and looking at their books! Thank you also to those of you who have stepped forward to help run the forthcoming school discos.

Your Views Matter

Thank you also to those of you who took the time to complete a 'parent voice' sheet, I am always very pleased to hear/read your views. All your comments inform our decision-making and they will again be used as we move forward into the last few terms of this academic year.

School Games Award

We were presented with our 2018/19 Gold School Games Award last week – this is in recognition of the number of extra-curricular sporting opportunities for our pupils including participation in competition. Well done to all involved!

Helen Comfort

The Week Ahead!
