*'For Learning That Lasts A Lifetime'*

20<sup>th</sup> March 2020

Dear Parent/Carers

All of you should now have received from the school a homeworking book which had some pieces of work in to get your week started at home. These will have either come home with your children if they were at school or you have been invited to come in to collect one from school.

Class teachers are now preparing home learning activities for the remaining days leading up to the start of the Easter holidays. This will give you a daily piece of English and Maths and a third activity from across a range of curriculum subjects. Teachers are aiming to keep these activities engaging for you all and will vary between on-line, written and practical tasks. After the holidays and until we are able to open again this work will be uploaded weekly onto the class pages of the school website. The first of these will be available to you on Wednesday.

As Ms Comfort has already said, all classes have an email where you can contact your teachers with queries and comments or send in work. Please make use of this email the teachers will be very pleased to hear from you. A reminder of these addresses is below:
