### Message from the Headteacher

So ends a week which none of us could ever have anticipated. Like so many others I am sure, I continue to reel from the way in which our school community has been separated, thank goodness for modern technology which is enabling us to maintain virtual contact!

We have had a handful of children of critical workers in school this week with just a very few members of staff. The children have completed the work set by the class teachers which I know many of you have been working on at home. Joe Wicks' 9am session (broadcast on YouTube) has been a good way to start the day for many of our families and staff! Do keep up with this – feel free to send photos/videos or add to the thread on the school Facebook page!

### Message from the Class 2 Teacher

Hello Class 2 ☺,

I hope you are enjoying the sunshine and have been able to go exploring outside in the garden. I have loved receiving emails from parents and children telling me what you have been doing and sending me photographs, so please keep this going, they are lovely to see. Thank you for the fantastic Georges' Marvellous Medicine work you have handed in on Purple Mash. You have used some amazing adjectives and written some super instructions. I would also like to thank you for the excellent mazes you have created on Purple Mash 2DIY3D. I am missing the school routine and seeing all the children's smiley faces, so please keep in touch. Stay safe and have fun!

Mrs Gemma Geere

### Well Being

Please don't let home learning cause stress or disharmony in your family – protecting everyone's wellbeing is more important than anything else at the moment. Be realistic about how much time you or your child can spend on this at the moment – make the most of the lovely weather and get out into the garden!
