Message from the Headteacher

So ends a week which none of us could ever have anticipated. Like so many others I am sure, I continue to reel from the way in which our school community has been separated, thank goodness for modern technology which is enabling us to maintain virtual contact!

We have had a handful of children of critical workers in school this week with just a very few members of staff. The children have completed the work set by the class teachers which I know many of you have been working on at home. Joe Wicks' 9am session (broadcast on YouTube) has been a good way to start the day for many of our families and staff! Do keep up with this – feel free to send photos/videos or add to the thread on the school facebook page!

Message from the Class 3 Teacher

Hello Class 3,

I am hoping you are all well and staying safe. Like you, I am missing everyone as well as our daily routines. I have been keeping busy when not working, with walking Rufus and reading the brilliant 'Varjak Paw' by SF Said. It is one of the recommended reads for Year 3 and I can highly recommend it if you are able to get any deliveries. Some of you have e-mailed me with pieces of work or photos. Please do use the class email address to keep in touch or ask questions. I am more than happy to read and respond to the children! It is important that we keep connecting with people. Next week your learning will be based around being outside in your garden!

Mrs Louisa Wallis

Well Being

Please don't let home learning cause stress or disharmony in your family – protecting everyone's wellbeing is more important than anything else at the moment. Be realistic about how much time you or your child can spend on this at the moment – make the most of the lovely weather and get out into the garden!
