

Year 2 Pick 'n' Mix

This is a Pick 'n' Mix grid, which has a variety of fun activities on which you might like to do. You do not have to do any of these but thought it would be nice to give you a choice of some extra activities if you would like to do them.

<p>Sock Puppet</p> <p>If you have an old sock, you could make a sock puppet. How many different types of materials can you use to make it? Draw a picture of your finished sock puppet and label all the different types of materials you used (plastic, paper, fabric etc).</p>	<p>A Whole New World</p> <p>In Geography we have previously learnt about the continents of the world. Create your own world on a piece of paper or make a model of it.</p> <p>What would your world look like? What would be in it?</p>	<p>H – A – P – P – Y</p> <p>It's really important to do things that make us happy. What makes you happy?</p> <p>Make a poster or collage to show the things that make you happy.</p>
<p>Keep Fit</p> <p>Joe Wicks has been making up daily workouts for people to follow. Make up your own workout routine. Draw pictures, ask someone to video you or write down what each movement is.</p>	<p>Bug Hunt</p> <p>If you have a garden, or when you go on a walk, make a tally chart of all the different minibeasts you see.</p> <p>Ladybirds Spider etc</p>	<p>The United Kingdom has grown!</p> <p>Draw a simple map of the United Kingdom but add in a brand new country.</p> <p>What is this country called? Draw a picture of its flag. What is its national flower? What food is famous for being eaten in this country? What language do the people who live there speak?</p>
<p>Famous!</p> <p>In Topic last term, we were learning about Florence Nightingale, who was a famous person. Imagine you are famous. What are you famous for? Draw a picture of yourself and write a caption to tell us all about you.</p>	<p>Be Kind</p> <p>Make a poster showing different ways we can be kind to other people. This could be family members or other children when we are at school.</p>	<p>Rainbow Scavenger Hunt</p> <p>Collect as many items as you can, from around your home, that are the colours of the rainbow. Layout them out to make your own rainbow. Take a photo if you can.</p>
