Join Joe Wicks for his daily workout at 9am every morning Find him here: <https://www.youtube.com/user/thebodycoach1>

Why not try the BBC Supermovers time table action songs at <https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4> (as you already know my favourite is the 9 times table song!!)

Class 5 did amazingly with their TTRockstars battle against class 4 last week. Well done to all of you !

If you would like further challenges choose some of these below:

Try these [multiplication and division cards \(Pdf\)](#)

Try the [mixed maths challenge cards1 \(Pdf\)](#)

Try the [Spelling mistake spotting \(Pdf\)](#)

Using this to check your spellings : [Spelling mistake spotting answers \(Pdf\)](#)

Try these [Yr5Two step word problems1 \(Pdf\)](#)

Creative writing is a great way to show how well you can use description to create images and engage the reader.

Try listening to another one of the stories from the BBC 500 word competition:

<https://www.bbc.co.uk/programmes/articles/KNWskPrg7stQ54tTbcf6P7/500-words-the-stories>

Now choose a different story you enjoyed and write your own version.

You could try and change the names/ character behaviours and add one extra event to make the story your own.

This is an excellent place to support your understanding of what is required in Year 5: http://mathsathome.lqfl.org.uk/y5_subject.html
