'For Learning That Lasts A Lifetime'

11th May 2020

Dear Parents and Carers,

I am sure many of you will have watched the Prime Minister's address to the nation last night.

You will have heard the Prime Minister indicating that the government believes it may be in a position to implement a phased reopening of schools for certain year groups from 1st June. This is part of the government's conditional plan, which it says will remain under review.

As it stands at the moment, the only information I have is that which was said by the PM on television yesterday. You will appreciate that his statement has raised many questions for school staff, families and school leaders.

I do not have the answers to these questions at the moment, however, I would like to reassure you that the safety and well-being of your children, our pupils, the staff, families and the wider community will remain my priority.

Apparently, guidance from the government is due to be published in the coming days, we are also expecting guidance from the Local Authority. Once I have received this I will be in a position to define the best approach.

At the moment, the school site will remain open for childcare for the children of key workers and we will be here to support all our parents and pupils remotely, as we have done over the last few weeks.

I will be in touch again when I have more information.

Yours sincerely

H Comfort

Executive Headteacher
