

# Let's Visit Australia

Today we will be:

Exploring Australia and where it is in the world.

**Do you know  
where the  
country  
Australia is?**

**Do you  
know  
which  
country  
Australia  
is on this  
map?**

**Next**

**Did you  
guess  
correctly?**

**Is Australia close  
to the UK?**

**Australia is the  
sixth largest  
country in the  
world and it is  
also a continent.**

Australia is an island country. This means it is completely surrounded by water. No other countries share their borders with Australia.

Look at the three main oceans surrounding Australia.

Look at the map on the next slide to see the states and territories of Australia.

Australia is a very large country and it was divided into **states** and **territories** many years ago.
