*'For Learning That Lasts A Lifetime'*

25<sup>th</sup> January 2022

Dear Parent/Carers,

**Covid-19 Update 25.01.22**

I write with further information regarding the number of identified cases of Covid-19 within our school community.

Since my letter yesterday a further child has tested positive and we have another three children awaiting the result of PCR tests.

With a new case identified in class 6 today all children in this class should now be undertaking daily lateral flow tests for seven days from today until 30<sup>th</sup> January 2022.

In the meantime we will continue with the measures we have in place – good hand and respiratory hygiene as well as ventilation. Classes of children are being kept apart inside the building and extra-curricular clubs for this week are cancelled.

With many returners, attendance in all classes is much improved and the daily rate of infection is reduced compared to previous weeks.

We will continue to keep you well informed about the prevalence of cases at school. Please don't hesitate to make contact if you have any queries or concerns.

As always, thank you for your ongoing support and understanding with these matters.

Yours sincerely

**H Comfort**

**Executive Headteacher**
