'For Learning That Lasts A Lifetime'

31st January 2022

Dear Parent/Carers,

Covid-19 Update 31.01.22

I write with further information regarding the number of identified cases of Covid-19 within our school community.

We have received notification this morning that a member of Class 4 has tested positive for Covid-19 over the weekend.

With this new case identified in class 4 all children in this class should now be undertaking daily lateral flow tests. As the children would have last been in close contact on Friday please can they continue to test for five days from today.

We will continue with the measures we have in place – good hand and respiratory hygiene as well as ventilation. Classes of children are being kept apart inside the building and extra-curricular clubs for the rest of this term are cancelled.

I am pleased to be able to let you know that we are able to recommence Before School Childcare Service from Tuesday, 1st February, those with bookings for this week have been notified by telephone today.

Extra-Curricular Clubs

As you know these remain suspended until Monday, 21st February. Monies already paid will be held on your account and applied to Term 5/6 club attendance or refunded if your child does not attend a club/clubs in the summer term.

As always, thank you for your ongoing support and understanding with these matters.

Yours sincerely

H Comfort

Executive Headteacher
