'For Learning That Lasts A Lifetime'

20th July 2022

Dear Parent/Carers of Class 5

Dover SMART project along with Transition Dover have given the children in our class a 10 day Eco Challenge along with a colouring activity.

The children each have the opportunity to design and decorate their own piece of bunting. This will be used to create a multi-coloured string of bunting for community events.

Participating in these activities is entirely up to you as they are not part of an initiative from school. However, the activities would be a fun project for the summer holidays.

Many thanks

Mr J Oliver

Class 5 Teacher
