

Message from the Headteacher

End of Term 5!

It has been lovely to have some warmer weather recently – makes us truly feel that we are in the summer term. As is always the case with each term this has been another busy one. With bank holidays, national celebrations, trips and key assessments being undertaken by some of our children we have certainly fitted a lot in. It's lovely to see keen and eager learners arriving to school each day – including on the last day of term.

Class 6 are proudly wearing their leaver hoodies and are now busy preparing their end of year show. They will be taking part in induction events with their new schools next term in preparation for leaving St Margaret's.

At the other end of the school we are looking forward to meeting all of our new Reception class children and families next term and helping them to get to know our school ready for their start in September.

Reception Class and Nursery Teddy Bears Picnic and Bake Off

Another successful shared event with the nursery. We welcomed families from across both settings to share a picnic with their bears and take part in a bear hunt as well! A really fun and enjoyable afternoon. Thank you to our judges who had the challenging task of tasting cakes all afternoon and awarding prizes in our Bake Off!

Open Afternoon

Thank you to all those of you who were able to pop into school yesterday for our Open Afternoon; I know how much the children enjoy showing their grown-ups their work and the classroom.

PTFA School Disco

At the time of writing the hall is being set up for our school disco! The children are really looking forward to this popular event and I thank the PTFA volunteers and the teachers for giving their time to making what I am sure will be a successful and memorable event.

I hope you have an enjoyable half-term break and we look forward to welcoming you all back to school on Monday, 5th June.

Helen Comfort – Executive Headteacher

Message from Class 3

Class 3 have had a busy few weeks, with forest school and our enterprise week. We are so proud of ourselves and how much we have raised for the World Animal Protection charity and for a class reward, we really hope you enjoyed our enterprise day! Within class, we have explored a variety of different areas such as; time within maths, informal letter writing in English, magnets and forces in science and much more.

We are looking forward to next term where we will be off to Dover Castle, exploring the River Dour, starting our swimming sessions, undertaking our class reward from our enterprise profits as well as enjoying our final term within Class 3.

Mrs Fairhurst
