'For Learning That Lasts A Lifetime'

23rd September 2015

Dear Parent/Carers of Class 4

Dover Grammar School for Girls invite children in local primary schools to participate in what they call a 'Primary Enrichment Programme'. The programme is aimed at 'more able' pupils and consists of lessons in numeracy, literacy and science on a Tuesday morning. This year, just two children from each school can attend. In addition the same two must attend for the entire programme.

We would dearly love to be able to offer this opportunity to all children in the class but obviously we cannot. Therefore, to be transparent and fair to all, we considered the following criteria when making our choice:-

- Attainment against the end of Year 3 expectations in reading, writing and maths;
- Reading Age test score September 2015;
- Gender – i.e. to send one girl and one boy.

If your child has been chosen you will be notified by separate letter.

Depending on how many other primary schools send children, there may be the opportunity for us to be able to send more than two children; we are holding a waiting list in case this happens and will advise parents accordingly.

Yours sincerely

Ms H Comfort
Headteacher
