## Message from the Headteacher

The first Parent, Teacher, Friend Association (PTFA) meeting of this academic year was held last week. It was really good to welcome some new parents to the committee as well as catch up with existing members. The funds raised by the PTFA really do make a difference to the work that we do at school – recent big purchases include sets of computer tablets for all classes and the development of the area outside Classes 3 and 4. The PTFA also commit monies on an annual basis to buying items such as resources for the clubs, Christmas crackers, Easter Eggs, class visits to the Chapel Tea Rooms and a Year 6 farewell trip. Look out for information coming out soon regarding forthcoming fundraising events so that you can support this very worthy cause. In addition to supporting the PTFA, you are all really great at collecting supermarket vouchers for us. A huge box of toys for the children to play with at lunchtime arrived this week – new tennis nets, jenga, a netball stand, construction kits and a range of balls have all been put to good use by the children – pictures will be on the school facebook page soon. If you haven't seen them already, you may like to know that we have pictures and articles in both the East Kent Mercury and the Dover Express this week celebrating our OfSTED report.

Have a good weekend! **Helen Comfort**

PS: If your child tells you next week they have been drawing Christmas pictures at school they are not wrong! In order to meet the deadlines for the PTFA Christmas card fundraiser we are having to start very early..!
