

## Year 4 Newsletter Letter Autumn 2019

Dear Parents/ Carers,

Welcome to Year 4 and our first newsletter of the year. The children have settled in well and are becoming familiar with the new classroom routines. They are proving to be keen and enthusiastic to learn. Their behaviour and attitude has been good and we are confident that they are going to progress well over the course of the year.

The following information is intended to help you support your child at school this term. Please can you ensure that:

- your child arrives in time for the beginning of school at 8.45am
- he/she has a reading book and Reading Record Book in school every day
- PE kit is in school all week (Mr Ball will be taking the children for a 10 minute run first thing in the morning.)
- PE will take place on a Monday with the class teacher and on a Friday with Mr. Castle. Long hair must be tied back and earrings removed.
- time is given at home to complete homework
- no nail polish is worn
- proper school uniform and footwear is worn at all times

### Curriculum

In addition to English and mathematics, where we will be following the National Curriculum, the particular focus for our lessons this term will be as follows:

**In Science:** 'Sound' and 'States of Matter'

**In History:** Anglo Saxon (Crime and Punishment)

**Design Technology:** Design and make a bridge that can withhold a significant weight

**Art:** Using natural resources to create artwork

**RE:** What is it like to be a Hindu in Britain?

**PSHE:** 'New beginnings' and 'say no to bullying'

**French:** Dates, months, greetings and clothes

**PE:** Skills across a variety of sports – football and netball

**Computing:** E-safety – touch typing – computer graphics

**Music:** Listen to and perform music

### **Homework:**

Homework provides a valuable opportunity to revisit skills learnt in school. The children will be receiving a weekly piece of maths and English homework, which will be sent out on a **Friday** and is due to be handed back in on a **Wednesday**.

Spellings and times-tables are ongoing and should also be practised at home weekly.

Please encourage and support your child with daily reading and homework: remind them to use their best handwriting at all times and take their time with the task set. If there are any problems regarding the work, please inform us via their homework book.

Should your child require support Mr Ball will run a 'homework club' on a Monday from 12:00 – 12:30pm.

### **Reading**

The children need to read regularly, as little as ten minutes a day can make a big difference. Please encourage your child to record any reading in their reading record books. These reading record books, along with their reading book, should travel between home and school daily. Reading Record books will be reviewed regularly.

### **Class Rules**

As part of our introduction to the new school year we have discussed and agreed a set of classroom rules to which the children have signed up and which are on display in the classroom. Our expectation is that all students follow the behaviour policy. Please ensure that both you and your child have read this carefully.

### **Golden time**

Students, who give 100% in class, will participate in 30 minutes of '**Golden Time**' on a Friday afternoon. Children may bring in their own toys and games to enjoy with their friends but not plug in electronic devices. If a child has received a red or yellow card throughout the week, the appropriate time will be deducted from their 'Golden Time'.

**Tuck shop** is available on Fridays. There is a variety of fruit-based snacks and drinks on sale. They are priced from 25p to 50p. If possible, could your child please bring in the accurate money in small change.

### **Parental Help**

We value the support of parents, so if you are available to help with reading; have a particular skill/hobby that you would like to share with the children; or are able to accompany us on an outing, please let us know.

If you have any questions or concerns regarding your child, that need to be discussed at length, please write a note or telephone the office (01304 852639) to book an appointment to see one of us after school.

Yours sincerely

**Mrs. Norley & Mr. Ball**
