'For Learning That Lasts A Lifetime'

6th February 2020

Dear Parents/Carers

Safer Internet Day 2020 is being celebrated globally on Tuesday 11th February with the theme 'Together for a better internet'.

Coordinated in the UK by the **UK Safer Internet Centre** the celebration sees hundreds of organisations getting involved to help promote the safe, responsible and positive use of digital technology for children and young people.

We will have an assembly on this day to discuss the e-safety issues surrounding the use of the internet and each class will be completing a lesson to further this understanding.

If you are interested in finding out more about how you can promote a safe use of the internet within the home environment then please visit the following site: www.saferinternet.org.uk.

Another useful site is www.thinkuknow.co.uk although at the time of writing this letter the site is currently unavailable for planned maintenance.

They have excellent resources available across all pupil ages, as well as a parent section.

Yours sincerely

Mr Oliver

Computing Curriculum Co-ordinator
