

Thank You NHS - To Dance Monkey

We say oh my gosh we see the way you shine
You're in our thoughts my dear, whilst you help us through this time
You know we stop and clap while you keep working on
And now we beg to see you smile throughout this time
Ooh we see you, see you, see you struggling
And oh my we, we love your strength
You, you make us, make us, make us wanna cry
And now we beg to see you smile throughout this time

So we say thank you, thank you, thank you NHS
We've never seen anybody do the things you do before
We say thank you, thank you, thank you NHS
And when it's done we'll say thank you with a hug

We say oh my gosh we see the way you shine
Take a breath, my dear, and be proud of what you do
Just like an angel you've been shining in our lives
But we just beg to see you smile throughout this time
Ooh we see you, see you, see you caring
And oh my we, we love your strength
You, you make us, make us, make us wanna cry
And now we beg to see you smile throughout this time

So we say thank you, thank you, thank you NHS
We've never seen anybody do the things you do before
We say thank you, thank you, thank you NHS
And when you're done we'll say thank you with a hug
We say thank you, thank you, thank you NHS
We've never seen anybody do the things you do before
We say thank you, thank you, thank you NHS
And when it's done we'll say thank you with a hug

Oooooohhh
Woah-oh, woah-oh, oh
Oooooohhh
Ah ah, ah

We say thank you, thank you, thank you NHS
We've never seen anybody do the things you do before
We say thank you, thank you, thank you NHS
And when it's done we'll say thank you with a hug
We say thank you, thank you, thank you NHS
We've never seen anybody do the things you do before
We say thank you, thank you thank you NHS
And when it's done we'll say thank you with a hug
A great big hug!
