Class 2 w/b 04.05.20	Monday	Tuesday	Wednesday	Thursday	Friday
English	Vocabulary Ninja – Word of the Day	Vocabulary Ninja – Word of the Day	Vocabulary Ninja – Word of the Day	Vocabulary Ninja – Word of the Day	Bank Holiday
	<u>Recipes</u> Watch the BBC Teach and Ani School videos and discuss with an adult or write down the key features of a recipe. Find a variety of recipes online or from a recipe book at home and identify the key features.  	<u>Recipes</u> Can you find a recipe of your choice, read the recipe and with adult supervision follow it to make the product? Make sure you read each instruction out carefully and measure the ingredients accurately. Whilst reading the recipe you could discuss the key features with your adult. I hope you enjoy what you make. 	<u>Recipes</u> First I would like you to make something. It could be as simple as a sandwich for your lunch or a drink of squash. Then when you have finished I would like you to write a recipe of how you made it. Remember the key features of a recipe you looked at on Monday, e.g. title, ingredients, equipment, numbered bullet points, short clear sentences, imperative verbs (bossy verbs) such as: pour, add, stir, and a helpful tip for your reader. You could re-watch the videos from Monday to help you.	<u>Reading</u>  Click on the link above and use the free login. Choose an e-book from the coloured band you are on at school and read to your grown up. Extra: carry out the activity.	
Mathematics	<u>Number Words to 100</u>  Play the Guess my Word Number Game. Can you then use the Number words to 100 mat to practise writing you numbers in words? These are both attached to the website.	<u>Estimation</u>  Activity attached to website.	<u>Spiral Patterns</u>  Activity attached to website.	<u>Design and Build a Model</u>  Activity attached to website.	

Topic	<p><u>Mindfulness Monday</u></p> <p><u>Garden Yoga</u></p>  <p>Sheet attached</p> <p><u>Kindness Jar</u></p> <p>This is a challenging time for everyone, but it is still important to be kind to one another. I would like to write at least one thing you do each day which is kind and put it in a jar. At the end of the week take them out and read them to an adult. May you could now keep the kindness jar going at home.</p> 	<p><u>Science</u></p> <p><u>Bird Habitats</u></p> <p>Click on the link below and read about the different bird habitats. Discuss with an adult which birds you think live in your area.</p>  <p><u>Bird Watching</u></p> <p>Tie two cardboard toilet rolls together to make a pair of binoculars. Go into your garden or watch out of your window and count how many birds you can see. Can you identify any of the birds and name them? Listen out for different bird songs. You could draw a picture of the birds you see and I have also attached a bird checklist that you might like to use.</p> 	<p><u>Fitness Challenges</u></p> <p>Pick as many of the challenges from the Fitness Friday Grid attached to the website as you would like to do.</p> <p>How many can you complete? Can you get your family to join in?</p>  <p>Have fun! 😊</p>	<p><u>Geography</u></p> <p><u>Inuit's and Igloos</u></p> <p>Inuit's, who are also known as Eskimos live in the Arctic and temporarily live in a snow house called an Igloo.</p> <p>Please can you watch the video below and look at the websites below to find out more interesting facts about them. Maybe you could find a video to watch about how Igloos stay warm!</p>    <p>You can record your research anyway you like. For example: a mind map, collage, information leaflet, writing a fact file, or maybe a comic.</p>	
I have added a Pick 'n' Mix grid under this week's home learning for some more fun activities, if you wish to do any.
