

St Margaret's-at-Cliffe CP School

Home Learning

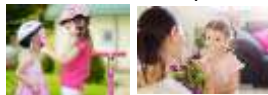

| Class 2 w/b 18.05.20 | Monday | Tuesday | Wednesday | Thursday | Friday |
|--|---|---|---|---|---|
| English | <u>Spelling</u> Play common exception words set 1 game | <u>Spelling</u> Play common exception words set 2 game | <u>Spelling</u> Play common exception words set 3 game | <u>Spelling</u> Play common exception words set 4 game | <u>Spelling</u> Play common exception words set 5 game |
| | <u>Poetry</u> Listen to CBeebies Inside Our Home poem. What did you enjoy about the poem? Which parts are similar to what you are doing at home? Which parts are different? Did you notice any rhyming words? Get your grown up to help you read the Poetry PowerPoint. Discuss with an adult different types of poems you can get. You could listen to some poetry on The Children's Poetry Archive . | <u>Poetry</u> I have written a 'Love is...' poem. Please see attached. <i>You might like to take a look at Mrs Collins's and Mrs Lewis's 'Love is...' poems too.</i> Can you draw some pictures of what you think love is and write key words next to each picture?  | <u>Poetry</u> Using my 'Love' poem for support, use your ideas from yesterday and write your own love poem. You might want to look at the PowerPoint again for some support.  | <u>Poetry – Edit</u> Edit your poem from yesterday by making sure you have punctuation in the correct place. Maybe you could get an adult to help you use a thesaurus online to improve your vocabulary. E.g. if you wrote Love is nice you could change it to Love is marvellous. Make sure you understand what the word means before you use it. | <u>Poetry – Final Draft</u> Draw, colour or paint a heart and write your poem on your beautiful heart. Can you ring a member of your family or a friend and read your poem to them? You might like to post your poem to someone special for them to keep. Maybe you could take a picture and send it to me? 😊 |
| Mathematics This week in Maths we are going to explore different types of measurement you might need if you were going to post your poem or a parcel to a friend or family member. | <u>Time</u> <u>What time is it?</u>  You would need to know what time the post office opens and closes. Click on the link above to play the game and practise telling the time. Choose the level that is appropriate for you. | <u>Weight</u> <u>How much does the parcel weigh?</u>  The person at the post office might need to know how much your parcel weighs, so they put the correct stamp on it. Click on the link above to play the game to practise weighing and reading scales. Choose the level that is appropriate for you. | <u>Length</u> <u>How long is your parcel?</u>  The person at the post office might also need to know how long your parcel is, so they put the correct stamp on it. Click on the link above to play the game to practise weighing and reading scales. Choose the level that is appropriate for you. | <u>Money</u> <u>How much does it cost?</u>  You would need to pay the post office for the stamp, so you parcel can be sent in the post. Click on the link above to play the game to practise choosing the correct coins. Choose the level that is appropriate for you. | <u>Timer</u> <u>How long does it take?</u>  Click on the link above and time how long it takes you to go to the post box and post your letter or how long it takes you to read your poem over the phone to a family member or friend. |

Topic

Mindfulness Monday
PSHE

Can your grown-ups help you make a 'Kindness' picture collage? You could display in your window at home.

I would love to see a picture. 😊

Cosmic Yoga

Click on the link below to join in with some Yoga.

Science

Habitats - Badgers

Click on the links below to watch the video and read about Badgers. Can you then draw or create your own badger sett and label it?

Eurasian Badger

Badger Setts

Did you know there is a Badger set in East Langdon? Is there one near where you live?

Badger Webcam

If you click on the link above there is a live Badger webcam you can watch. The best time to view the Badgers is a few hours before dusk.

Art

You have been spending lots of time at home as a family. Take this opportunity to create something to remember your time together.

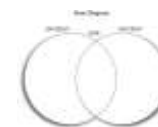

Geography

Compare The Arctic and Antarctica

Click on the links below to watch both videos. Using the information on these and your previous Arctic and Antarctica research you have done compare them.

You could create a collage with one half being all about the Arctic and the other half being all about Antarctica or you could create a Venn Diagram.

Think about what is the same and what is different. Where are they both in the world, what animals do have, what's their weather like, are their scientists, Inuit's (Eskimos) and Igloos in both places?

Fitness Friday

Click on the link below and choose a couple of videos to do from the Home Learning section. You can choose from PE Lessons, Morning Workouts, Party Dances, Weekly Challenge and PE Games.

Have fun! 😊

Book Club

This week's book club is focused on stories and poems about love. Can you find any stories or poems about love? Decide on a place and time where you'd like to hold your daily 'Book Club' together – in a den, on the sofa, after lunch, before bedtime. Let your child know that this is a special quiet time just for you to snuggle up and share a story or poem. Encourage and celebrate your child's achievements in reading. Can your child help you to read it? Can they predict what might happen in the story, at the end or what happens in the poem? Now have a chat about the book – how many stars would you give it? What was your favourite part of the book or poem and why? What features did the poem have? Did it repeat, rhyme, have similes? **Happy reading!**

Just for fun

Whole School Book Cover Challenge

This week, we are challenging all families to re-create the cover of a favourite book, using items you can find at home.
We would love to see just how creative you can all be! Here are a few ideas to get you started.

Have fun! 😊

Year 2 – 6 Pupils Vs Teachers Times Tables Challenge

Throughout the week, log on to your Times Tables Rock Star account and battle with the other pupils of St. Margaret's-at-Cliffe Primary School against the teachers!

Enjoy! 😊
