Message from the Headteacher

Thank you to those of you who have sent pictures and news for the school facebook page. Do keep these coming; it is good for us all to have this connection.

At the time of writing I am continuing to work with staff to risk assess the measures the Government is asking us to put in place after 1st June. Whilst the Government has sent out information since Tuesday, the Local Authority is still working on guidance; this is due to be with schools next week. You will appreciate there is a great deal of information to assimilate and changes to consider. Health and safety of pupils, staff and families is paramount. I will write to you all again next week when plans have been assessed by the School Governors and I have information to share with you.

In the meantime we continue to provide home learning for all classes and childcare for the children of key workers. Please continue to take care and look after yourselves.
