

St Margaret's-at-Cliffe CP School Home Learning – Class 3 w/b: 01.06.20

	Monday	Tuesday	Wednesday	Thursday	Friday										
English 	<p>We will be learning about dragons from around the world!</p> <p>Read about them here: https://kids.kiddle.co/Dragon</p> <p>Can you retrieve 10 facts about dragons and write them in your book? You may want to draw a picture too.</p>	<p>Choose one type of dragon from the web page you looked at yesterday. What else can you find out about your dragon? Create a design for a fact page to tell me about your dragon. Your page should have headings and sub-headings. Organise your information into paragraphs.</p>	<p>Play Spooky Spelling at www.ictgames.com</p> <p>Spooky spelling</p> 	<p>Create a first draft of your fact page.</p> <p>Edit your first draft looking for spelling and punctuation.</p> <p>What else could you add to your page? May be a diagram or 'Did you know?' section?</p>	<p>The finale!</p> <p>Publish your fact page in your book. Remember to leave space for drawings.</p> <p>Take a photo of your page and send it to the class email address.</p>										
Mathematics 	<table border="1" style="width: 100%; text-align: center;"> <tr> <td style="width: 20%;">Maths</td> <td style="width: 20%;">Maths</td> <td style="width: 20%;">Maths</td> <td style="width: 20%;">Maths</td> <td style="width: 20%;">Maths</td> </tr> <tr> <td>Marking fractions on a number line below 1</td> <td>Marking fractions on a number line above 1</td> <td>Unit fraction of an amount</td> <td>Non-unit fraction of an amount or set of objects</td> <td>Challenge of the week</td> </tr> </table> <p>Follow the daily maths lessons on BBC Bitesize. Watch the videos, complete the online tasks but only complete the printable tasks if you can. https://www.bbc.co.uk/bitesize/tags/zmyxyc/year-3-and-p4-lessons/1</p>					Maths	Maths	Maths	Maths	Maths	Marking fractions on a number line below 1	Marking fractions on a number line above 1	Unit fraction of an amount	Non-unit fraction of an amount or set of objects	Challenge of the week
Maths	Maths	Maths	Maths	Maths											
Marking fractions on a number line below 1	Marking fractions on a number line above 1	Unit fraction of an amount	Non-unit fraction of an amount or set of objects	Challenge of the week											

Computing

Chimp:

Complete the first four activities in 2code. They all have instructions on how to start coding and they do need to be completed in order as the skills you learn will be progressive. I have set these as 2do tasks, if you wish to complete more afterwards, then you can continue by going to Home/Computing/2code.

Just for fun

Have a look at Lego games for lots of videos and activities – <https://www.lego.com/en-gb/kids>

San Diego Zoo!

Go on a virtual trip to the zoo

<https://kids.sandiegozoo.org/videos>

Explore the suggested activities you can do at home or in your garden, created by The Woodland Trust

2. Make a loo roll bird feeder

This is messy fun kids will love to get stuck into. And it will help them learn about the birds in your neighbourhood.

You can make this simple feeder with items you probably already have at home:

- 1 Smother a cardboard tube in peanut butter (no added salt and sugar versions are suitable for birds).
- 2 Roll it in bird seed and thread some string through the hole.
- 3 Tie it up in your garden where birds will feel safe eating.

How many garden birds will you spot? Take a look at our [blog](#) to help you and your children identify them.
