

St Margaret's-at-Cliffe CP School

Home Learning

Class 2 w/b 01.06.20	Monday	Tuesday	Wednesday	Thursday	Friday
English 	Vocabulary Ninja Word of the Day (on school website) Share the story Superworm by Julia Donaldson. You may have a copy of the book at home or you can find the story on YouTube. Please make sure you check your chosen video before showing it to your child. Play Superworm Comprehension You might like to cut up the cards and pick them from a pile or bag or maybe hide them in the house or garden (<i>can't print? Don't worry you can read from the screen or write the questions out on your own cards</i>).	Vocabulary Ninja Word of the Day (on school website) Book Review Complete a book review for Superworm. You may use one of the Book review template as a guide for what to include. You can either print one or create your own in your Home Learning Book. Book Review Template 	Vocabulary Ninja Word of the Day (on school website) Superworm was made to look for treasure for the Evil Wizard Lizard. Think about all the special things you have - this is your treasure. Can you draw and label your treasures? Then write some sentences about your treasures and what makes them special. 	Vocabulary Ninja Word of the Day (on school website) The police want to catch the Evil Wizard Lizard. Can you create a 'Wanted' poster to catch him? Remember to use adjectives to help you describe Evil Wizard. Include in your poster – a drawing of Wizard Lizard, a description, what he is wanted for and what the reward will be.	Vocabulary Ninja Word of the Day (on school website) Turn yourself into a superhero. What will your superhero name be? What will you wear? What will your super power be? Can you draw a picture and write some sentences? 
Mathematics	<u>Spaghetti Worms</u> Make spaghetti worms. Can you cut them up and order them by size? Can you measure how long each one is in centimetres? Remember to start at 0.	<u>Measuring Worms</u> Make some worms. You could use playdough, wool or pipe cleaners and beads. Can you measure your worms in centimetres and compare them? Can you work out the difference between different worms?	<u>Missing Number Worms</u> Can you ask a grown to draw you some worms with missing numbers on up to 100? For example your grown up could draw a worm writing the numbers 78 to 88, with some of the numbers missing. You then need to fill in the missing numbers.	<u>Superworm the Skipping Rope</u> Estimate how many skips you can you do in 1 minute? Can a grown up time you? Remember to count your skips carefully. You could record your results in a table.	<u>Repeating Patterns</u> Can you draw a mini beast pattern? Can you then repeat your minibeast pattern 4 times? 

Topic

Mindfulness Monday

Think about something kind you could do for someone at home today. Even a simple smile can make someone's day!

Perhaps you will phone a relative to brighten their day, write a card or play your brother or sister's favourite game with them.

Axel Scheffler

Axel Scheffler - Find out about the illustrator of Superworm by clicking on the picture below to visit his website.

You may enjoy watching the video of him painting a story bench. Can you name the characters he is painting? What stories are they from? Did you spot Superworm?

Challenge (only if you want to!) create a fact file about Axel Scheffler with your top 3-5 facts about him.

Perhaps you would like to illustrate a picture in his style.

Experiment

Have a go at this [Dancing Worm Experiment](#). Enjoy watching your worms dance around and/or make a milkshake or smoothie for a superhero. Which super fruit and vegetables will you choose?

Science

Go on a nature hunt. Have a look at the activity ideas provided.

Talk about signs of Summer on your walk today. Where might Superworm and his friend's choose to live? You might like to look for Summer flowers that are starting to grow. Can you spot them?

Fitness Friday

Please choose from one of the following:

1. Superworm [Yoga](#)
2. The Worm Squirm Obstacle Course Game Make your own obstacle course made of pillows, boxes etc. Then you squirm like a worm on your belly to complete the obstacle course.
3. Digging for worms [dance](#).

Book Club

This week when you are reading together explore books by Julia Donaldson illustrated by Axel Scheffler. Can you find any non-fiction (information) books about worms or bugs? What stories did you enjoy and why? What interesting facts did you find out? **Happy reading!**

Remember to continue to read books at www.collins.co.uk/pages/support-learning-at-home (user name: parents@harcpercollins.co.uk password: Parents20!)

You may like to share Axel Scheffler's book about Coronavirus with your child. Click on the link
