

Message from the Headteacher

Children's voices in all classrooms and on the playground this week has been a most welcome sound. The fact that a 'school' describes the people, not the building, has never been more apparent than in the last couple of months. Children, staff and parents have settled well into the new routines. I thank you all for everything that you are doing to support us and your child; be that dropping off and collecting at specific times, communicating via email/telephone; supporting your child with their home learning or giving the staff a smile and thumbs up! No doubt you will have heard on the news this week that the Government does not believe the conditions are right for primary schools to expand further the number of children on site. Guidance has not yet been published to Headteachers; when it has I will be in a better position to clarify with you what this means for children in Years 2-5. For the time being home learning continues as currently and we are laying down plans for a return in the autumn which will best support all children and families. As always, do please keep in touch via email/telephone and thank you for your ongoing support. Helen Comfort

Message from the Class 3 Teacher

Hello all! I hope you are keeping well? I am now back at school, teaching a Year 1 bubble in Class 2. It has been lovely to be back with some children at school. I have also enjoyed receiving some of the work you have been busy completing at home. Here is Chloe Hackett's brilliant Kimono dragon fact page:

Sammy made this colourful dragon's eye using salt dough. Great work Sammy!

Mrs Wallis

Well Being

On the school website under the school information tab, is a wellbeing webpage.

<http://www.stmargaretsprimary.co.uk/page/?title=Wellbeing&pid=254>

Within this there has been added a section for you to use if you, adults or children, feel worried. There are some links to sites that can help you. Click or copy from the link column into your search bar to find a range of support networks to help. Some are COVID-19 related others are for a wider range of worries.

Useful Weblinks

[Harry Potter at home](#) – Mad about the wizarding world? This website has been launched to celebrate the world's most loved wizard with fun articles, activities and puzzles for Harry Potter fans old and new!

[NASA](#) – If you are interested in Space then this NASA website contains lots of practical resources for learning more about space exploration.

The Week Ahead!

Week commencing 15th June 2020

- Earthquake week starts!
- Please continue to contact me on our class 3 e-mail with any work you have completed or up-dates on how you are. I will still be looking at them every day.
