

TO THE RESCUE

ACTIVITY: TO THE RESCUE

RNLI lifeboat crews provide search and rescue for people who find themselves in trouble in the water

ACTIVITY: TO THE RESCUE

Lifeboats

RNLI lifeguards help
look after visitors
during the busier
months on the beach

ACTIVITY: TO THE RESCUE

Why do you think these crew members are wearing these clothes?

ACTIVITY: TO THE RESCUE

What other equipment do
you think RNLI crew need
to help with their job?

ACTIVITY: TO THE RESCUE

Crew need lifejackets to keep
them safe during a rescue

ACTIVITY: TO THE RESCUE

Helmets to
protect their heads

ACTIVITY: TO THE RESCUE

Waterproof clothing
and boots so they
don't get wet and cold

ACTIVITY: TO THE RESCUE

Lifeboats

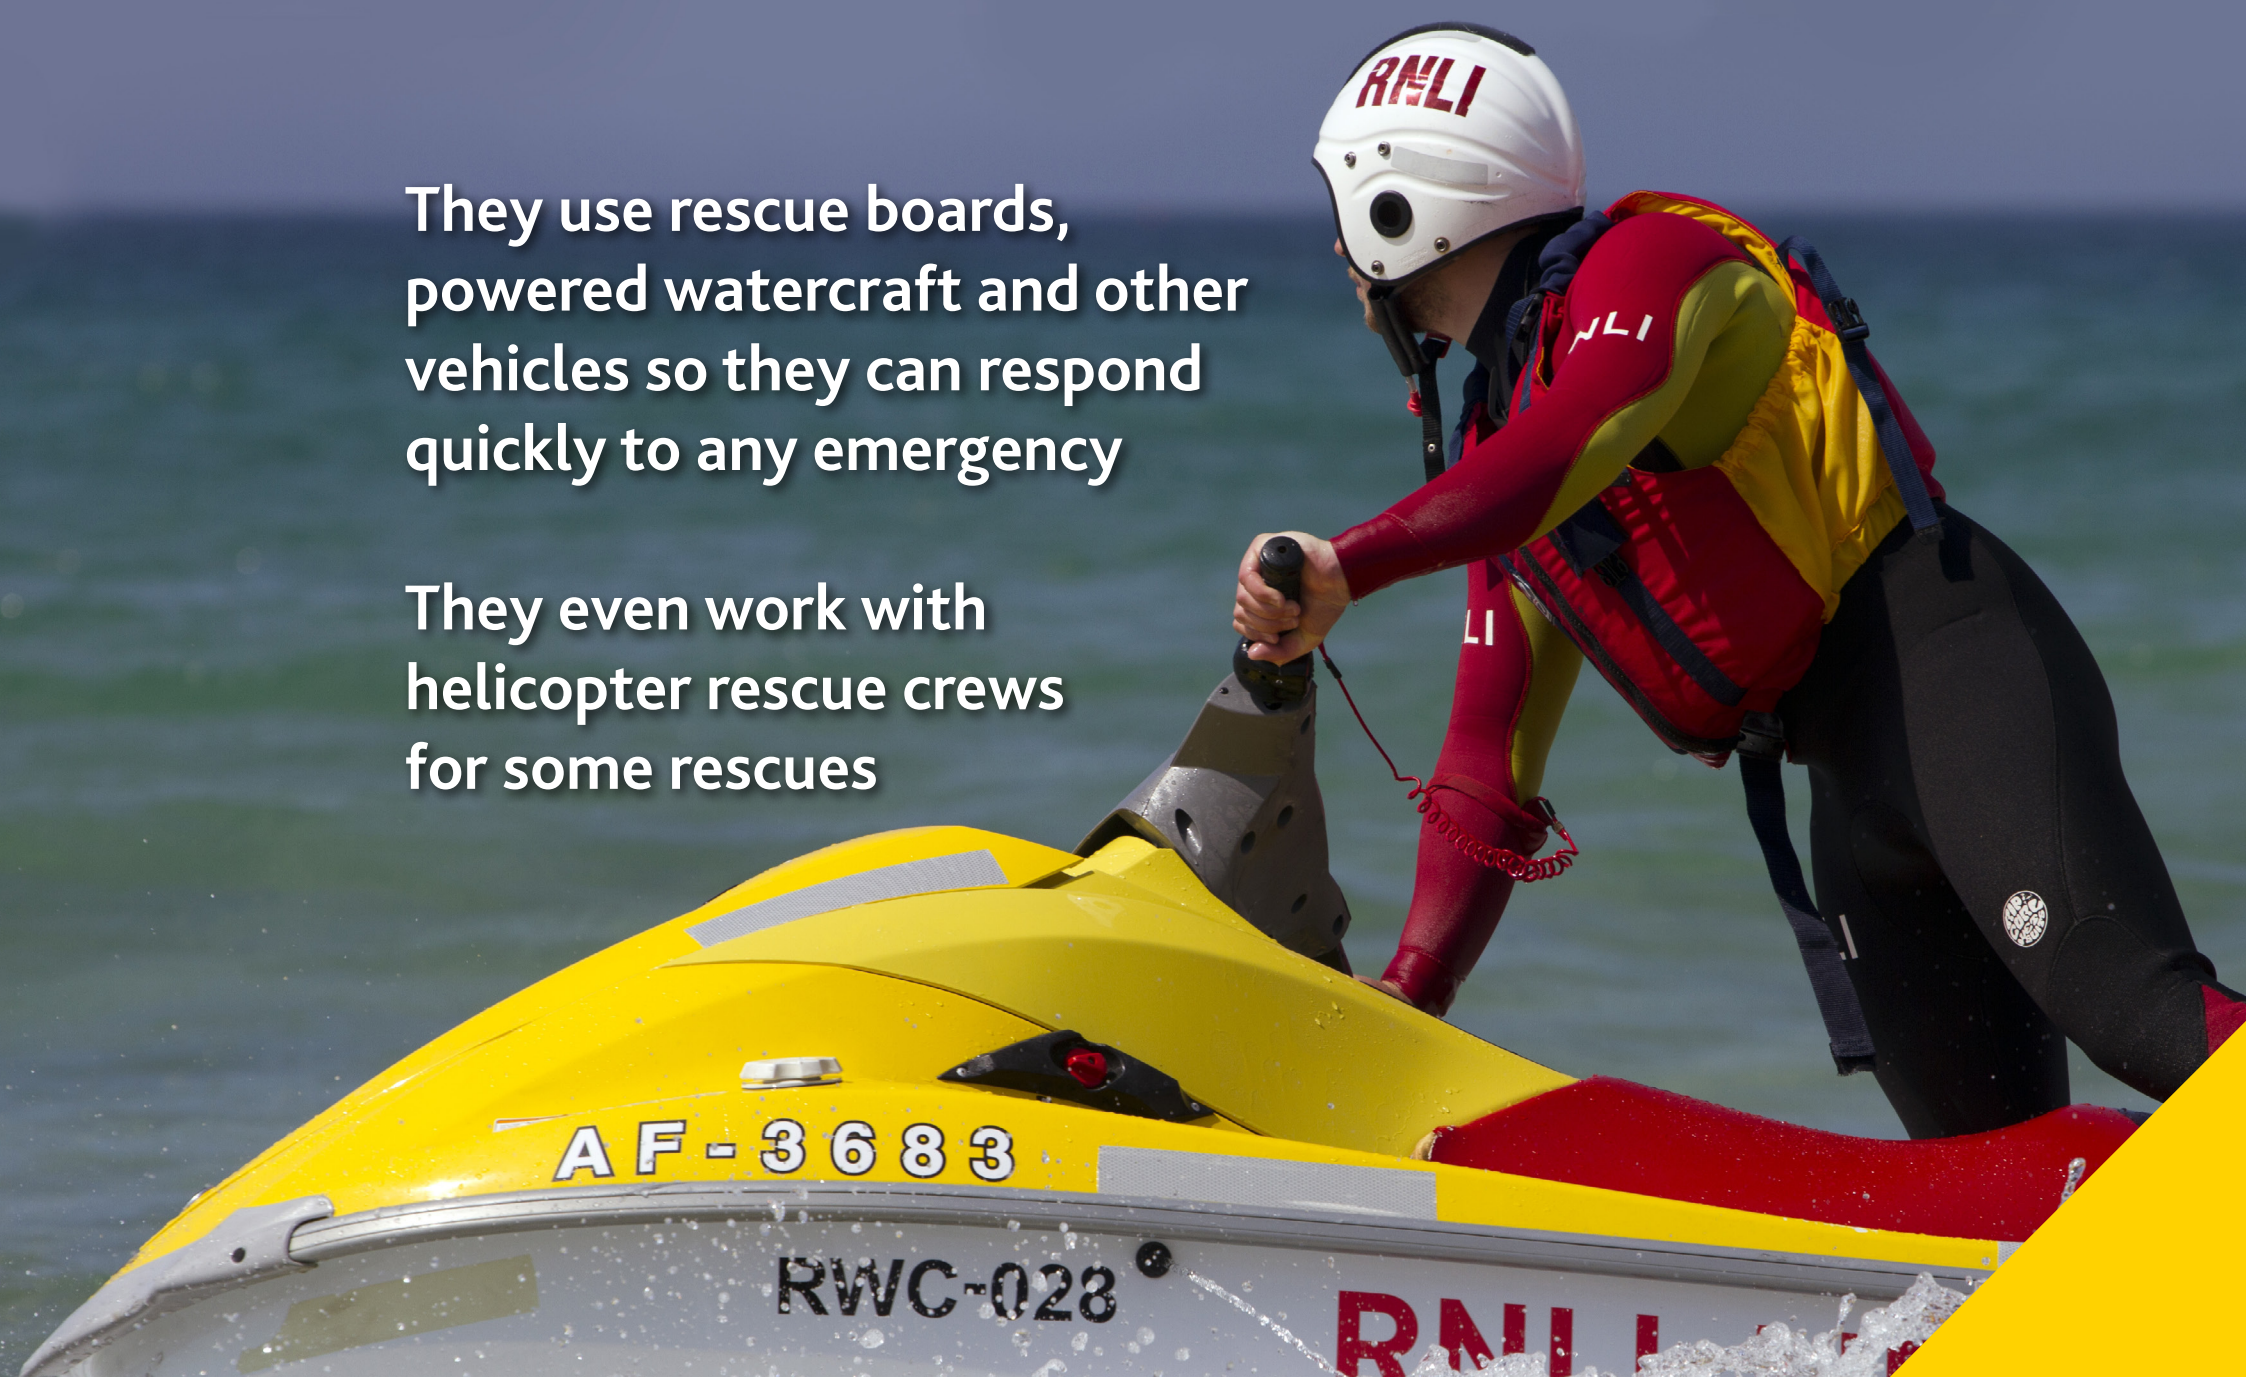

Lifeguards use binoculars to watch people on the beach and check if help is needed

ACTIVITY: TO THE RESCUE

They use rescue boards,
powered watercraft and other
vehicles so they can respond
quickly to any emergency

They even work with
helicopter rescue crews
for some rescues
