Message from the Headteacher

Virtual Sports Day Monday 20th July

Do please look out for the letter with details regarding this – I look forward to hearing how you all get on!

End of year traditions

We have had a number of enquiries from parents regarding end of year gifts for staff.

You will appreciate the many measures we have in place to reduce the risk of transmission of coronavirus; one of these is that children who are attending school bring the bare minimum with them.

If you would like to give a gift to a member of staff – and PLEASE note there is no expectation whatsoever that you do, I am writing about this purely because we have been asked – please can you consider the following:-

A virtual/e-gift is the best, safest and easiest option.

If you wish to bring a physical gift to school, please ensure it is clearly labelled for the recipient. It can be left in the box which will be by the shed, we will then manage a quarantine period!

Please note that Mrs Hoile, Mrs Howlett, Mrs Geere and Mrs Norley are all shielding so are not able to collect physical gifts at all; please do not therefore bring these to school.

September 2020

Plans continue to be finalised for September full opening of school. I will write to you when these have been completed and approved. In the meantime, those of you sending children to school need to work within the current risk assessment and procedures laid down. These measures have enabled all of the school community to keep safe and Covid-free to date; I ask that you support us with these important matters and thank you for doing so.

Development Day Wednesday 22nd July

As previously advertised, please note that Wednesday 22nd July will be a staff development day; Tuesday 21st July will be the last school day for children whether at home or at school.

Helen Comfort

Message from the Class 4 Teachers

Hello everyone

So, here we are going into in the last full week of the Summer Term. I hope you are managing to find some sort of enthusiasm for work as things start to become a bit more normal in our lives. We want to say a big thank you to all of you children who have sent in the great work that you have been doing and also thank you to all the carers too, for your help and support with your children's learning. We are really enjoying all the inventive ways you are developing learning! THANK YOU! Hopefully we will see you again to say 'goodbye' in person. Until then, take care and stay safe.

Mrs. Norley and Mr. Ball

The Week Ahead!

Week commencing 13th July 2020

This week we are looking at 'The Owl and the Pussycat' by Edward Lear (another one of my favourites). I hope you enjoy the poem and learning new words to add to your vocabulary. In History, your work this week will be to study Roman gods and create a god of your own, giving them their own skills, powers and weapons. In Mathematics we are looking at symmetry and discovering how to identify position and direction using coordinates. For science we are completing our topic including Humans' by investigating food chains.
