Message from the Headteacher

Virtual Sports Day Monday 20th July

Do please look out for the letter with details regarding this – I look forward to hearing how you all get on!

End of year traditions

We have had a number of enquiries from parents regarding end of year gifts for staff.

You will appreciate the many measures we have in place to reduce the risk of transmission of coronavirus; one of these is that children who are attending school bring the bare minimum with them.

If you would like to give a gift to a member of staff – and PLEASE note there is no expectation whatsoever that you do, I am writing about this purely because we have been asked – please can you consider the following:-

A virtual/e-gift is the best, safest and easiest option.

If you wish to bring a physical gift to school, please ensure it is clearly labelled for the recipient. It can be left in the box which will be by the shed, we will then manage a quarantine period!

Please note that Mrs Hoile, Mrs Howlett, Mrs Geere and Mrs Norley are all shielding so are not able to collect physical gifts at all; please do not therefore bring these to school.

September 2020

Plans continue to be finalised for September full opening of school. I will write to you when these have been completed and approved. In the meantime, those of you sending children to school need to work within the current risk assessment and procedures laid down. These measures have enabled all of the school community to keep safe and Covid-free to date; I ask that you support us with these important matters and thank you for doing so.

Development Day Wednesday 22nd July

As previously advertised, please note that Wednesday 22nd July will be a staff development day; Tuesday 21st July will be the last school day for children whether at home or at school.

Message from the Class 3 Teacher

Hello to all,

I hope you are all well and happy at home. Thank you for all your emails showing me your work and keeping me updated with your news. Chloe W shared some news about her ‘pet’ snails. She collected them a while ago, and looked after them so well they had snail babies! I have never seen a baby snail! Here is a picture taken before they were released this week.

So cute!

Here is a forest picture made by Chloe H – well done, it looks great!

[creative park](#) We have had a great time using this site to make 3D paper models. It has a huge range of crafts you can print and make. I made this hedgehog this week!

The Week Ahead!

Week commencing 13th July 2020

- I have added a ‘memories’ task to the home learning. I would like everyone to make a memory page of events or moments they remember from being in Class 3. You could draw pictures and add captions. If you could take a photo and e-mail it to me at the class e-mail address, I will then collate our class memories together.
