<p>Remember to continue to read books on the Collins Website. (user name: parents@harpercollins.co.uk password: Parents20!) AND/OR Log on to Purple Mash and click on Serial Mash. Serial Mash has a wealth of books to read on screen for all age groups. They are split into chapters and each chapter then has a quiz, sequencing and other activities to help with comprehension.</p>			

Please remember that activities can be carried out from the screen and/or be adapted and home learning book used. You do not need to print them out unless you want to. Share your child's learning with them and talk about their answers together.

I would like to take this opportunity to say a big well done and thankyou. Well done to all the grown-ups and children for all their efforts and dedication to carrying out their learning at school or at home. Mrs Wallis and I have had a wonderful time with the children who returned to school. They faced many changes and we are very proud of them. They have been extremely well mannered and behaved; giving their best at all times. They are looking forward to being buddies to their friends returning to school in September, helping them get used to some of the new routines they will face. For those of you at home – we have missed you and your friends in school talk of you often. We are proud of how brave you have been and am sure you have been having good times at home. Thankyou for keeping in contact and sharing the lovely work and milestones, such as riding a bike, reading or losing a tooth. It has been so special to have you share these precious moments with us. We can't wait to see you all in September. Happy Holidays. Stay Safe.

Kirsty Lewis and Louisa Wallis
