

WB 7 th December 2020	Monday	Tuesday	Wednesday	Thursday	Friday
English 	Reading I can answer questions I understand the key events or features of a text. I can simply comment on beginning, middle and end. I can work with a group to answer questions about texts		Writing I can use 'and' or 'but' to join my sentences. I can identify subordinating conjunctions within a text such as: when, if, that, because. I can identify homophones I can explain what a comma does		
	WALT: identify homophones Homophones are words that sound the same but have a different spelling or meaning. Play the homophones pairs card game attached. (You can print the cards or make your own). Can you write some more homophones?	WALT: use conjunctions in my writing and identify subordinating conjunctions Write 5 sentences about the story that include a conjunction. (but, and, or) e.g. Duncan's favourite colour is blue but he also likes red. (see activity below)	WALT: correct spelling and grammar Read the letters below. Can you spot the spelling mistakes and correct them? Can you add the missing punctuation? Read the story again. Can you spot any commas? Can you explain what a comma does? You may choose to use commas in your writing tomorrow.	WALT: write a letter Today you are going to pretend you are Duncan. Write a letter back to one of your crayons. Which crayon will you write to? e.g. Dear Blue crayon, I'm sorry I used you too much and now you're too short. What else will you write? How will you make your chosen crayon feel better?	WALT: write a Christmas wish Write a Christmas wish. What will you wish for? This may be a special present or perhaps event or wish for someone else. We will be looking out for some noun phrases in your work. Eg. A sparkly, silver necklace.
Maths Main session Watch the video and then complete the maths activity sheet (below this grid)	I can recall multiplication and division facts for the 2,5 and 10 times tables up to x12, including recognising odd and even numbers. I am beginning to use x and ÷ and = to record my work. I can recognise that multiplication of two numbers can be done in any order and division of one number by another cannot.				
	Make equal groups	Recap – make equal groups	Redistribute from unequal to equal groups	Recap add equal groups	Make arrays

Magic Maths (extra pm session)	WALT: beginning to know quarter past/to the hour. Activity here	WALT: beginning to recognise 5 minutes intervals. 2. Add in the missing punctuation.

dear duncan

as green crayon I am writing for two reasons one is to say that I like my work-
load of crocodiles trees dinosaurs and frogs i have no problems and wish to
congratulate you on a very successful 'colouring things green' career so far
the second reason I write is for my friends yellow crayon and orange crayon who
are no longer speaking to each other both crayons feel THEY should be the colour
of the sun please settle this soon because they are driving the rest of us CRAZY
