

Year 3 Term 3 Week 6  
Week beginning 08.02.21

Hello Year 3 and welcome to week 6 of home learning. Please keep in touch and send us your learning via our class email [C.Class3@st-margarets-dover.kent.sch.uk](mailto:C.Class3@st-margarets-dover.kent.sch.uk). This can be through photos, Word documents or Power Point documents or videos. I love to see your amazing work and all the wonderful things you are doing at home. Stay safe and look after each other. Best wishes, Mrs Geere 😊

<b>Reading</b>	<p>You may have noticed that this box was for Vocabulary Ninja – Word of the Day.</p> <p>This week I would like you to take some time out, find somewhere cosy, quiet and comfortable, choose any book you like and curl up or lay down and enjoy reading some or all of your book.</p>				<p><b>Screen Free Friday!</b></p>
<b>English</b>	<p style="text-align: center;">This week you have an Ancient Egyptian project. 😊</p> <p>Using your learning over the past few weeks about Ancient Egypt, you are going to plan and then present an information text. As long as the information is about Ancient Egypt, you can include whatever you like.</p> <p>You might like to do some further research online or in books. You could watch the BBC Bitesize videos <a href="#">here</a> that you haven't yet watched or look on DK Find Out <a href="#">here</a>.</p> <p>Your final draft can be presented on a PowerPoint, Word Document or you could create a double page spread. I have included a PowerPoint with some example of double page spreads. You can make them very colourful, include pictures, you could make little envelopes, pockets or lift up flaps to put key facts in, you can draw diagrams, include maps, 'did you know' facts and use bubble writing. You might like to present your information on a large piece of card and combine your English skills with your art and craft skills. However you choose to present yours, remember to have a new paragraph for each new piece of information. This is your project, so decide what you like from the examples, be creative and turn it into your own! 😊</p>				<p style="text-align: center;">Look at the Free Screen Friday grid attached to the website and enjoy some off screen activities. 😊</p>

Spell some Year 3 common exception words and complete the workout to that spelling. You can choose these from the spelling and handwriting booklet mentioned above under the spelling and handwriting section.</p>

You don't have to print the worksheets out if you don't want to or are unable to. You can complete the activities on paper whilst having the worksheet on the screen.

To further help me understand how your child got on with their learning, please discuss the activity you have carried out with your child and together decide which smiley face to draw on your work.

I did this by myself   I had some help   I had lots of help

If you would like to do any extra maths you can find short maths workbooks to complete below. There are different booklets for the different areas of maths. They are also divided into year groups, so if you find one easy you could challenge yourself to complete the next year group booklet or if you are struggling with the questions in the year 3 booklets then you could try the year 2 one first.
