

Screen Free Friday

Spend some time completing some of these fun activities. You have worked so hard with your learning this term, it is time to take some time for you and to have some fun!
Please send us some photos of anything you get up to – we would love to see! 😊

Can you find something in your garden or house that starts with each letter of the alphabet?

Can you draw a picture of your two favourite animals merged together? What would you call your new animal?

Start a nature survey. Jot down how many different birds, flowers or insects you can spot outside. Record your results in a tally chart.

Dig out your board games and have fun playing with your family. You could even design and make a homemade board game

Find a photo of yourself, or a place you like to visit. Can you sketch the picture?

Build a space ship or moon buggy. You could use building blocks or recycled materials, chairs or anything else you can find?

Make a time capsule
What could you put into a box, seal up and hide it away to open in a few years' time as a memory of today?

Butterfly Wings: make, draw or bake a colourful decorated butterfly.

Design and make an obstacle course at home or in the garden. How fast can you complete it?

Write a song or rap about your favourite subject.

Learn how to change your pillow case and duvet cover. Can you change it all by yourself?

Design a face mask for yourself.

[Hieroglyphics.pdf](http://kidspuzzlesandgames.co.uk)
(kidspuzzlesandgames.co.uk)

Learn an ancient Egyptian skill – write your name in hieroglyphics, make a sign for your bedroom door.

Let's talk about feelings- Draw 5 circles on a piece of paper. Take it in turns. Think of an emotion you've felt recently. Why did you feel this way? How did your face look when you felt like this? Can you draw this in the circle?

Take a walk to the beach and make some beach art

Choose a favourite book and collect some items in a bag that have something to do with the book. Can someone else guess the book based on the items you have selected?

Draw a map of the rooms in your house. Include interesting landmarks or objects. Perhaps you could turn it into a treasure map and add clues to help someone in your family find the 'treasure.'
