

Class 4 Weekly Newsletter – Friday, 26th February 2021

Message from the Headteacher

Good News!

I expect that you will know that the Prime Minister announced this week measures to begin easing the lockdown, starting with a full return of all children to school on Monday 8th March. I am very pleased that schools will be fully re-opening at that time and am very much looking forward to welcoming all pupils and families back.

Our Covid-safe Risk Assessment has been reviewed in line with the latest published Government guidance and our control measures will remain virtually the same. The routines that you and your children are used to will feel familiar and have proved to be successful. I will write to you again next week to remind you of the timings for drop-off and collection, what your child can bring to school, arrangements for contact with staff etc.

In the meantime you may feel a search at home is needed for school uniform, school shoes and PE kit as well as water bottles and packed lunch boxes!

World Book Day 4th March

We are pleased to be celebrating World Book day on Thursday 4th March and during the week. Please look out for letter from Mrs Wallis with details of reading activities for you and your family to enjoy at home.

Have a good weekend everyone; enjoy the sunshine!

Helen Comfort

Coronavirus Symptoms

Children or staff with any of the three symptoms of Covid:

- a new continuous cough;
- a fever;
- a change in taste or smell

are to stay at home and isolate, as must the rest of their household. They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known and follow advice accordingly.

To get a test go online to:

[nhs.uk/coronavirus](https://www.nhs.uk/coronavirus) OR

<https://www.nhs.uk/conditions/coronavirus-covid-19/> OR

Telephone 111

Keeping School Informed

If your child has attended school for childcare and tests positive for Covid you must immediately inform the school – by telephone on 01304 852639 during the school day. If you get a positive result at the weekend, during the evening or in a school holiday please email secretary@st-margarets-dover.kent.sch.uk

Even if your child is not attending school please continue to let us know if your child has symptoms of Covid and is awaiting a test result. Please advise of the result of the test either negative or positive, as we are required to report information daily to the DfE on the number of suspected and confirmed cases (just the number, no names).

Message from the Class Teacher

Hello Class 4 & Parents!

What an amazing week of work we have had. You are all working so hard and Mrs Griffiths and I are so proud of every one of you.

I hope you had a wonderful screen free Friday and took the chance to step away from the screens and enjoy some activities with your family or by yourself.

We only have one week left until we can join together in the classroom and get ourselves back to some kind of normal routine. I am, like many of you I am sure, very excited to get back to learning together.

Keep going with all the hard work and determination you are showing me every day!

Miss Conway & Mrs Griffiths

The Week Ahead!

Lunch Menu – Week 2

Week commencing 1st March 2021

For our final week of home learning we have some exciting lessons planned as part of our celebrations of World Book Day. We will be looking further at decimals in Maths and in Science classifying vertebrates. Can you remember what a vertebrate is? We will also look at where in the World they speak French, and start to learn about Pesach (The Passover Story) in RE. On Friday you will be able to enjoy another non- screen day based around different reading activities.
