Message from the Headteacher

Settling In

It has been a fantastic full week back at school for all children. It is such a pleasure and privilege to see and hear all of them as they settle back into school life. I know the class staff have been so impressed with how the children have tackled their learning and re-established their friendship groups. I imagine parent/carers may have experienced mixed emotions about the return to school ranging from missing having your youngsters at home with you to relief!

Morning drop-off and afternoon pick-up is working extremely well – very many thanks to all of the family grown-ups who are helping this to happen.

I will be asking one teacher per week to share the learning from their class in the newsletter. This week is the turn of Class 6 and I hope you enjoy having this insight into one of our classes.

Have a good weekend everyone and I look forward to seeing you next week.

Helen Comfort

Coronavirus Symptoms

Children or staff with any of the three symptoms of Covid:

- a new continuous cough;
- a fever;
- a change in taste or smell

are to stay at home and isolate, as must the rest of their household. They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known and follow advice accordingly.

To get a test go online to:

[nhs.uk/coronavirus](https://www.nhs.uk/coronavirus) OR

<https://www.nhs.uk/conditions/coronavirus-covid-19/> OR

Telephone 111

Keeping School Informed

If your child tests positive for Covid you must immediately inform the school – by telephone on 01304 852639 during the school day. If you get a positive result at the weekend, during the evening or in a school holiday please email secretary@st-margarets-dover.kent.sch.uk

Message from Class 6

We think it's good being back at school because we can see friends and learn with our teacher as well as play with our friends at break and lunch. We have all enjoyed learning with the social aspect of being in school again. Also we have spent more time putting hard work into our enjoyable learning. In maths we have been learning about the volume of 3D shapes. In English, we made stick puppets out of cardboard from our story 'Smok the Dragon of Wawel' which is a Polish story. It was fun to do some arts and crafts!
