Message from the Headteacher

The last full week of this term draws to a close and it has been good to have some sunny days and to see the signs of spring around the school site.

Online Safety

We have heard from one of our local schools of an incident where a member of the public was trying to entice children, through a computer game, to show their school jumper and school logo to him. Armed with the name of the school the child attends, and the child's first name, this could have had disturbing consequences. Could we ask you to be vigilant to this and remind your children to never accept 'friendship' from someone they do not know online, never show or offer personal information to anyone and report it to you immediately so that you can, if appropriate, contact the police.

Thank you

Reception Class had some exciting news this week. Jodie from local small business justsofacts has kindly gifted them some beautiful bunting. This was a lovely surprise for children and adults and the bunting is now hanging over their Easter and Spring display. I am sure you will join me in thanking Jodie for this generous gift.

Message from Class 4

We had an amazing time during forest school last week where we went on a hunt for different insects, leaves and trees as well as creating clay tree sculptures and taking part in some fantastic den building as a team. All of our hard work on Times Tables Rockstar's has really helped us with our Maths learning this week where we have been able to challenge our learning further. We have also taken a deeper dive into our focus story of Max and the Millions in English as well as some classification work in Science on Living Things and finally some observational drawings in Art which will add paint too next week. We hope you have a safe and wonderful weekend.

Miss Conway
