

Weekly Newsletter – Friday, 11th June 2021

Coronavirus Symptoms

Children or staff with any of the three symptoms of Covid:

- a new continuous cough;
- a fever;
- a change in taste or smell

are to stay at home and isolate, as must the rest of their household. They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known and follow advice accordingly.

To get a test go online to:

[nhs.uk/coronavirus](https://www.nhs.uk/coronavirus) OR
<https://www.nhs.uk/conditions/coronavirus-covid-19/> OR
 Telephone 111

Keeping School Informed

If your child tests positive for Covid you must immediately inform the school – by telephone on 01304 852639 during the school day. If you get a positive result at the weekend, during the evening or in a school holiday please email secretary@st-margarets-dover.kent.sch.uk

Message from the Headteacher

Welcome to the final term of this academic year. Whilst it is a bit grey and muted as I write, we have had some beautiful summer weather this week and are scheduled to continue to do so. Thank you for supporting us by organising sun hats and sunscreen this week.

21 Challenge

Thank you for your donations in response to the PTFA 21 challenge fundraiser. The monies are yet to be counted and the amount raised will be announced as soon as this has happened.

Class Sports Days

Please look out for a separate letter which details our approach to sports days this year.

Student Teachers

We bid farewell and thank you to Harry Wratten and Ryan Farr who have completed their teaching practice in classes 6 and 5 respectively. I know how much they have been appreciated by the staff and children and we all wish them well in their continued journey to becoming teachers.

Have a good weekend!

Helen Comfort

Message from Class 4

Hello all!

We have reached the final term of this unusual academic year. Class 4 are super excited to explore a range of different learning areas this term. This week we have dived into number and place value in maths where we have worked incredibly hard looking at rounding numbers, roman numerals, negative numbers and some problem solving. English this week has been exploring newspaper reports. We used a range of example texts to identify the structural and language features of this type of text and have used activities such as text maps and creating our own version of the focus text using newspaper clipping to immerse ourselves with this genre of writing before making changes to it, so we can create our own newspaper report.

We have also taken our first steps into our new foundation learning of Stop Motion Animation, Vikings, Scientists & Inventors, Composing Music and how to describe our hobbies/holidays in French.

We started our week with one last session of quick fire cricket where the most runs scored was 40!

We hope your first week was as great as ours!!

Star Awards

w/e 11th June 2021

Class R – Mason
 Class 1 – Ines & Reggie
 Class 2 – Joshua
