Coronavirus Symptoms

are to stay at home and isolate, as must the rest of their household.

They should get a Covid test.

Children and staff must also stay at home and isolate if a member of their household has any of these symptoms until the outcome of a Covid test is known and follow advice accordingly.

PTFA 21 Challenge News

Hopefully you will have seen in last week's newsletter that the outcome of the combined efforts of the families who participated in the PTFA 21 Challenge was an astonishing £2,528.19!

As promised by the PTFA prizes have been awarded to the following categories:-

Top Class prize goes to Reception Class who raised £943.67 – the children will enjoy a film with snacks as their reward before the end of term. Four further prizes go to the Pinnock family and the Taylor family as well as Logan in Reception Class and Rosie in class 5 who all raised in excess of £202.10 with them each receiving vouchers for days out.

Everyone who participated will receive a certificate and a sweetie cone. HUGE thanks to the PTFA for inspiring those who took part and, of course, ENORMOUS thanks to the children and families who undertook the challenges and donated the monies.

Class 6 Fun Week

Year 6 children and staff will be out and about both on and off the school site from Monday for a week of activities in lieu of the residential trip which they have not been able to undertake this year. Please all keep your fingers crossed for some fine weather for them!

I scream, you scream, we all scream for ice cream!

Don't forget to send in ice-cream money with your child's choice from the menu. Please send this in on Monday so we can get organised and have time to remind anyone who has forgotten. We will be welcoming Melvin's ice-cream van on site on Wednesday.

A weekend of sport...

The Tour de France continues, Wimbledon finishes and The Open begins at Royal St Georges. In addition to all of that I have no doubt that the vast majority (if not all) of us will be supporting the England men's team on Sunday evening. Is it really coming home...?! No doubt we will all have something to say on Monday about the outcome whichever way it goes!

Have a good weekend everyone.

Helen Comfort

Class R Minibeasts

We have worked so hard on our minibeast topic this term. We have created some excellent story maps and written about the life cycle of a butterfly.

Miss Woodward and I would like to take this opportunity to say thank you so much for a wonderful school year. We have enjoyed teaching every single one of your children and we will miss them all. They have learnt so much this year and have made us very proud.
