

Class 6 Newsletter

Terms 3 & 4 2022

Dear Parents and Carers,

I'd like to take this opportunity to wish you all a happy new year and hope that you have all had a wonderful Christmas break. The children have returned feeling rested and ready for the next two busy terms!

We have begun our poetry unit around 'The Fish' by Elizabeth Bishop. Our art work this term will be linked to this. We will be inspired by the works of the artist Fred Tomaselli, who uses collage to create striking, embellished designs.

During the week of 7th February, we will be taking part in Year 6 Enterprise Week. This is an initiative which is designed in order to allow the children to understand a little about how finances are managed, as well as budgeting and profits. We will be designing and making products which we can then sell within our school community. Half of the money raised will be donated to charity while the other half will go to something for the class. Our theme this year will be Valentines related. Do look out for more information nearer the time, but we hope we can count on your support!

As always, if you need to speak to me, please arrange a telephone call with me via the school office or send an email to secretary@st-margarets-dover.kent.sch.uk and it will be forwarded to me.

Miss Brett

Reminders:

P.E. will be on Mondays and Fridays this term.

Please could you make sure your child has plimsolls in school for gymnastics this term. Children are not allowed to wear trainers for gymnastics. If your child does not have plimsolls, we will need to have everyone in bare feet for these sessions.

Weather permitting, other P.E. lessons will take place outside and of course it can be very cold so please could you ensure the children all have suitable clothing to support this: trainers, tracksuit trousers and sweatshirts. As always earrings need to be removed for PE.

Please ensure your child remembers to bring their coat each day as well as their water bottle. Our fountains remain out of use.

Thank you!

Request!

One of the pieces of our art work will be focusing on is the effects of rubbish polluting our oceans. We would like to use some clean rubbish, especially plastic, that will be able to be used in our art work. If you have any clean (and non-sharp!) rubbish that your child could bring in, please do so by Monday 17TH January.

Thank you!
