'For Learning That Lasts A Lifetime'

26th January 2022

Dear Parent/Carers,

Covid-19 Update 26.01.22

I write with further information regarding the number of identified cases of Covid-19 within our school community.

Since my letter yesterday just one further child has tested positive for Covid-19.

With a new case identified in class 2 last night all children in this class should now be undertaking daily lateral flow tests for seven days from today until 31st January 2022.

In the meantime we will continue with the measures we have in place – good hand and respiratory hygiene as well as ventilation. Classes of children are being kept apart inside the building and extra-curricular clubs for this week are cancelled.

Both members of Before School Childcare Service staff are not able to attend work so this provision is cancelled until and including 31st January. Parent/carers with bookings for these three days affected have been informed by telephone today. I will write on Monday to let you know whether Before School Childcare Service will recommence on Tuesday 1st February.

With many returners, attendance in all classes is much improved and the daily rate of infection is reduced compared to previous weeks.

We will continue to keep you well informed about the prevalence of cases at school. Please don't hesitate to make contact if you have any queries or concerns.

As always, thank you for your ongoing support and understanding with these matters.

Yours sincerely

H Comfort

Executive Headteacher
