'For Learning That Lasts A Lifetime'

26th January 2022

Dear Parent/Carers,

Purple Mash Year 1

This week we will be sending home the children's login for Purple Mash. This is a website for children aged 5 to 11, packed with creative tools, educational games and themed resources. We use this resource in school to support learning across the curriculum and would like the children to be able to use it at home when appropriate. As with all use of technology and the internet we would ask that time spent using Purple Mash is monitored by an adult.

We hope that you enjoy exploring Purple Mash with your child at home and feel sure that you will find some interesting challenges and learning opportunities to share together.

Your child's login will be stuck into their Home learning Books - please ensure that books are in school this week for us to add the login. Thank you.

Please click here to get started: <https://www.purplemash.com/sch/stm-at-cliffe>

Any questions please email the office and the staff can pass on your questions to me.

Thank you for supporting your child with computing at home.

Yours sincerely

C.S.Hoile
