

Term Four - This term in Reception, we be finding out about...The Outdoors

Personal, Social and Emotional Development

Healthy Me

We will be learning the importance for good health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe.

Physical Development

The children will continue their P.E. lessons with Mr Castle in the hall and we will be developing our skills through invasion games.

We will also be playing team games in the outdoor area and learning how to kick and pass a ball.

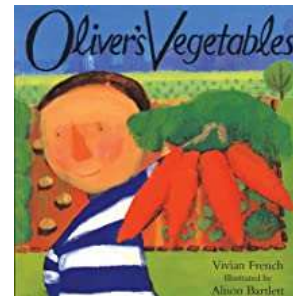

Expressive Arts and Design

The children will learn how to mix water colour paints and paint pictures of plants. We will be learning songs with a growing theme and continue to sing and learn nursery rhymes.

Mathematics

In mathematics we will counting beyond 20, ordering numbers and learning number bonds to 10. Then we will be exploring 3D shapes and using them to make repeating patterns.

Understanding the World

The children will learn the life cycle of a sunflower and how to care for plants in our outdoor area.

We will continue to learn about the four seasons and looking for signs of Spring.

Communication and Language and Literacy

The children will continue to share their learning from home. We will encourage the children to speak with more independence at school and to begin to ask and answer how and why questions. We will be writing simple sentences and captions, remembering to use a capital letter to begin our sentences, spaces between our words and a full stop to complete our sentences.
